

Kick off the New Year with Savings on
Cytoskeleton's Most Popular Tools!

25% off all eligible
items

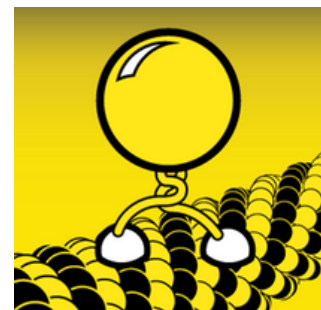

This is the perfect time to try our popular tools, and
bundle them with our G-LISA kits!

Small G-Protein Products

Tubulin Protein Products

Motor Protein Products

Valid until February 28th, 2025

Popular Tools From Cytoskeleton

G-LISA™ Small GTPase Activation Assays offer a fast and sensitive method for performing small G-protein activation assays.

Advantages of G-LISA activation assays include:

- High Sensitivity and Accuracy
- Results in 3 Hours
- Flexible Format
- Small Amount of Material Required
- Compatible with mouse, rat, and human tissues and cells

Available Products:

[Cdc42 Rac1, 2, 3 RalA Ras RhoA](#)

The Acti-stain™ line of fluorescent phalloidins has been developed with an emphasis on creating exceptionally bright and stable probes at an economical price.

Advantages of Acti-stain include:

- Gold-Standard G-Actin Staining Tool
- Exceptionally Bright and Stable
- Economical Price
- Compatible with Popular Filter Sets
- Stringently quality Controlled

Available Products:

[488 555 670](#)

Cytoskeleton's Product Summary Highlights

Acti-Stain (Cat. # PHDG1, PHDH1, PHDN1, PHDR1)

Acti-stain is a well-characterized actin-staining phalloidin probe.

Cytoskeleton provides Acti-Stain™ 488, 555, 670 at the best price! Acti-stain items are highly cited and comes with expert customer support.

Learn more at: <https://www.cytoskeleton.com/actin/acti-stain>

RhoA G-LISA (Cat. # BK124)

The G-LISA RhoA activation assays simplifies detection of active RhoA; results are attainable within 3 hours.

This unique, and highly cited kit is only available from Cytoskeleton Inc.

Learn more at: <https://www.cytoskeleton.com/bk124>

Essential Kit Components:

- Rho-GTP affinity wells (12 strips of 8 wells)
- Anti-RhoA antibody
- HRP-labeled secondary antibody
- Positive control RhoA protein
- Protease inhibitor cocktail (Cat. # PIC02)
- Absorbance detection reagents
- Precision Red™ Advanced protein assay reagent (Cat. # ADV02)
- Manual with detailed protocols and extensive troubleshooting guide

*Terms and Conditions: See Distributor For Details. Not Valid in the USA. Can not be combined with other offers.
